MUSIC MATTERS!

Congratulations to Katelyn Chance (12th grade), who represented CCS in the All State Choir performance this past weekend in Atlantic City. Great job, Kate.

Did you play an instrument back in high school band ?

Well, dust it off and contact Mr. Caldwell (ccaldwell@cccrusader.org).

It's not too late.

He's putting together a band for our Thanksgiving Night of Praise on Tues., Nov. 20th.

The band includes parents, alumni, and our current HS wind ensemble.

Come join the fun!

A Note from the Elementary Principal

Elementary News

Drop Off:

Parents, the safeties have been told not to go to the gates until there is an elementary teacher on duty. Please do not drop off your child before the safeties are at the gates.

Some students get out on the driver side of the car. Please do not go around cars when they are unloading.

Behavior:

We do not want disruptive students to keep the rest of the class from learning. Teachers have been told that three strikes earns the student a trip to me. If a child has been sent to me, it will be put in RenWeb under behavior.

December Events:

Friday, December 7th – Annual Christmas Vendor Fair and Festival of Lights

PK, K-5, and 1st grade students will be singing.

Thursday, December 13th – Elementary Christmas Program

PK, K-5, and 1st through 5th grade students will be singing and performing.

Absences:

Please let your child's teacher and Mrs. Biagi know when he/she has a planned absence.

November Health News

Dear Parents and Students,

As Thanksgiving approaches, we pause to think about all for which we are thankful. We are thankful to work with the wonderful students and staff here at the Cumberland Christian School. We wish all of you a Happy Thanksgiving!

November has been a busy month in the school nurse's office. We have begun the health screenings, including vision, hearing, height, weight screenings for the required grades. A letter will be sent home if your child will need a follow-up with the doctor.

The winter months are approaching, which also means more student illnesses. Please refer to these guidelines of when to keep your child home.

November Health News

Fever (100.4 or above require children to be fever free for 24 hours without medication before going back to school)

Nausea and vomiting.

Diarrhea.

A rough night (for example, if your child was up all night coughing or having trouble breathing)

Distracting pain from earache, headache, sore throat, or recent injury.

Listlessness, lethargy.

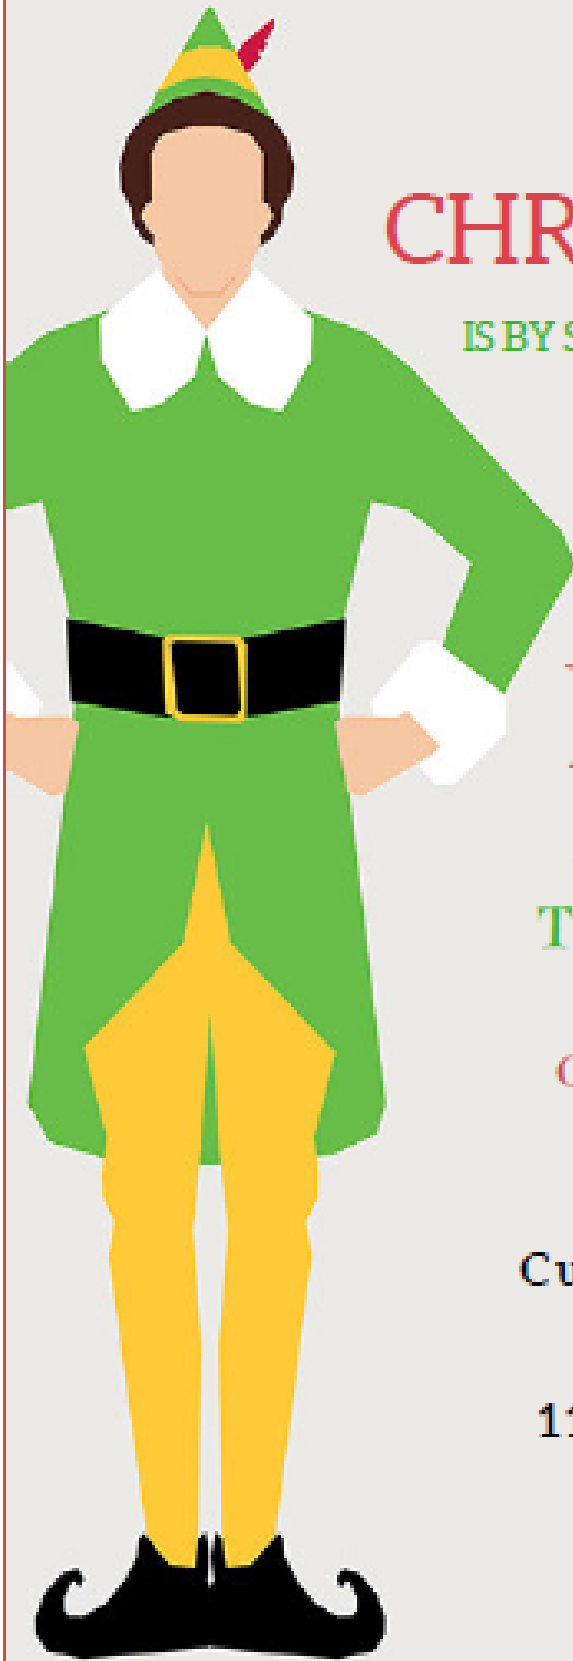

Pink eye.

As it starts to get colder, we remind students to put on their sweatshirts and jackets before heading outside. Soon they will need hats and mittens too!
