**CCS Agenda:** This is the required school assignment book which will be available for purchase from the main office in mid-August.

During the first week of school, students will need to have book covers for all hardcover textbooks. While there are variety of types of covers available, you may wish to consider "Book Socks." These stretchy covers will protect your child's books for the whole year. They do not rip or tear. You will need 5 large ones.

Please return the two certificates signifying that your child has read two required books from the Summer Reading list for 5th grade.
