### School and Community

A small group of Christian parents met several times in 1946 to consider the formation of a Christian School. After much prayer and discussion, a constitution was written, a Board of Directors elected, and the school was incorporated under the laws of the State of New Jersey. The Cumberland (Vineland) Christian School opened in September of 1946, with one teacher and seventeen students in grades two through six. Today, Cumberland Christian School sits on over 28 acres of land and houses over 200 students in PK-12th grade.
