Reaching the mind, the heart, and the hands... for Christ!

Reaching the mind...

The first quarter is almost over! This is a great time to check in and make sure students have completed their assignments and are on the right track this year.

This month, our middle school Quiz Bowl team competed at St. Augustine Prep's quiz bowl event, our juniors and seniors took the PSAT and SAT, and we finished our MAP testing.

As a school, we will be emphasizing learning our math facts. You can support this initiative by reviewing them at home at all levels.

Important Academic Events

- **ES Math Club - Select Mondays and Wednesdays**
- **End of Q1 - November 5**
- **Teacher PD - November 6 (Early Dismissal)**

Note: Extended Care is not available after school on 11/6

Reaching the mind, the heart, and the hands... for Christ!

Ways to Practice Math Facts at Home

Two Numbers

Take any two numbers and add, subtract, multiply, or divide them.

How do you get the numbers?

Roll two dice
Use a deck of cards (UNO works too)
Call out random numbers
Use a number generator
Pick dominoes

Flashcards

Practice math facts using flashcards.

Play a flashcard memory game.

Speak the answers aloud.

Add pictures or images to the cards to jog their memory.

Find the Answer

Place numbers on a table, call out a problem, and race to slap the answer.

Choose a number and come up with as many ways to make that number as possible.

Other Options

Fill in multiplication charts.

Play online math games. Arcademics has multiplayer games you can play as a family.

Complete timed math drills.

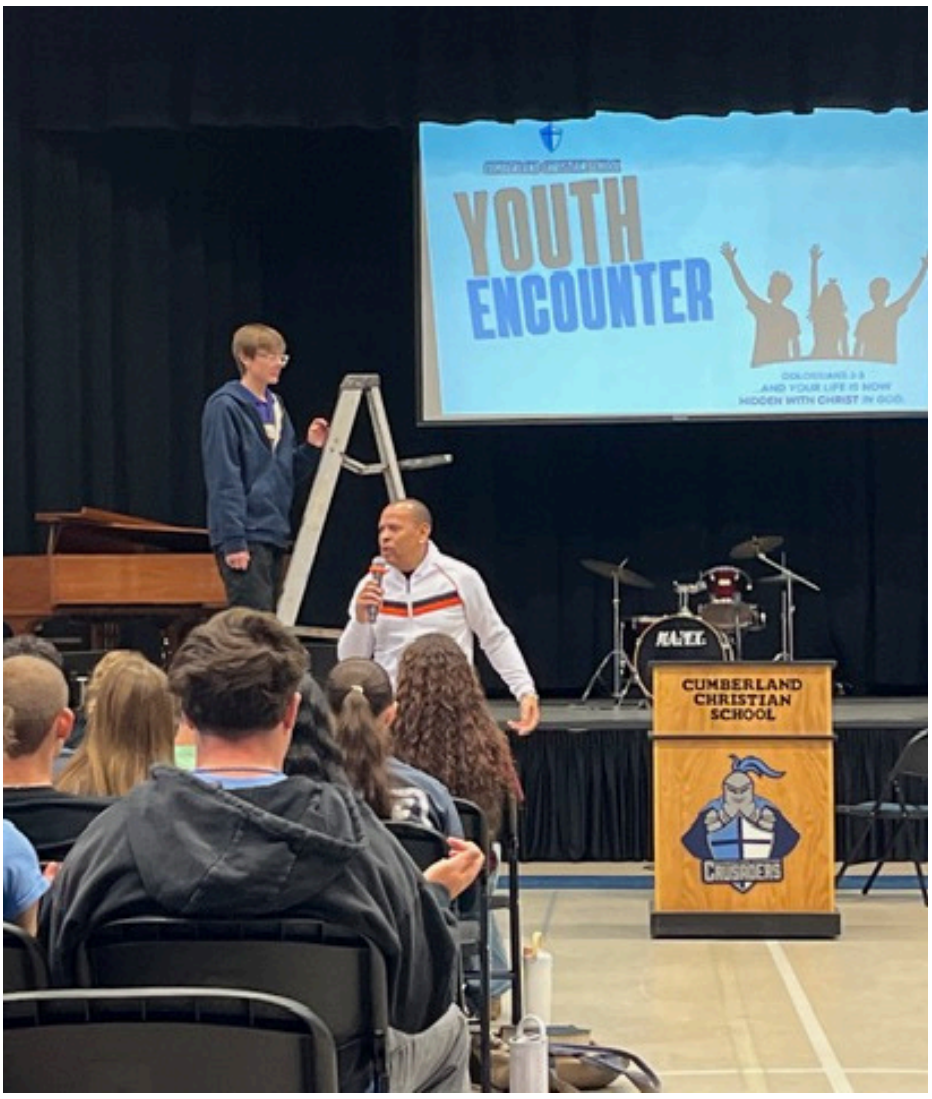

Reaching the mind, the heart, and the hands... for Christ!

Reaching the heart...

This month we focused on respecting authority and acting with integrity, two principles from our Portrait of a Student. We've continued to recognize students with mind, heart, hand awards and grow their connection to God through chapels and midweek meets. We also held our first High School Youth Encounter with students from other Christian schools.

COMING SOON

- **High School Girls Bible Study - Tuesdays @ lunch**
- **High School Boys Bible Study - Wednesdays @ lunch**

Reaching the mind, the heart, and the hands... for Christ!

Reaching the hands...

This month we welcomed area pastors into our school for the annual Pastors' Breakfast. Our soccer teams finished out their seasons strong. We dressed in pink for Breast Cancer Awareness Month.

Next month, our middle/high school students will pack boxes for Operation Christmas Child and we will host our annual Thanksgiving Concert of Worship.

UPCOMING OPPORTUNITIES

Shoebox Packing - Friday, November 6 during MS/HS Chapel
Thanksgiving Concert of Worship - November 24 at 7 p.m.
