

PERSONAL APPEARANCE STANDARD

STANDARDIZED DRESS

At all school functions unless stated otherwise.

A. PHILOSOPHY

Cumberland Christian School supports the Christian home in matters of modesty, dress, hairstyles, and good grooming. Through its dress standards, it seeks to encourage its students to think and act like Christian ladies and gentlemen. Parents are responsible to ensure that their student is in compliance with the dress code when departing for school. The student body should encourage each other in submission to all school rules, including dress code. Proper dress serves to create an atmosphere conducive to learning, an atmosphere which has shown to improve the learning process.

Experience has shown that it is necessary for the school to set standards concerning how students dress. These standards have been worked out by the Board of Directors/Administration and are based upon three principles: (1) modesty, (2) neatness, and (3) appropriateness.

A fourth principle relating to the implementation of the dress standards is clarity. There needs to be a clear standard. Some standards are drawn where they are because they help to ease interpretation. It is impossible to eliminate all "gray" areas, but when possible, we try to do so in order to increase consistency and fairness in administration of the dress code.

Our school has adopted a "standardized dress" program that allows for options in student wardrobe yet still requires students to adhere to specific standards.

E. SPECIAL ACTIVITIES

Students in upper grades are expected to follow school dress standards when attending special school activities or functions unless instructed otherwise. If standardized dress is not required, clothes worn must be as modest as standardized dress, as well as neat.

1. **Student Leaders** or students representing the school as student leaders, athletes, choir members, or ministry teams are expected to follow both the letter and spirit of school dress standards. Students who do not conscientiously follow a high level in the above areas will not be allowed to represent CCS.
2. **Swimming Suits** - If there is an activity that involves swimming, boys are required to wear "boxer style" suits. Girls are required to wear modest, one-piece suits or a two-piece that covers the midriff (tankini style). They must not have revealing or low necklines. High revealing leg holes would be unsatisfactory. (If a girl does not have a suit meeting these criteria, she must wear a top that covers the deficient areas.)
3. **Formal Dresses** worn on formal occasions must still conform to the same modesty requirements as normal school dress. Such formal dresses must cover the shoulders with a minimum of a one inch strap and may not in any other way have a "revealing" tenor. The administration will give specific directions regarding appropriate formal wear.
