## MS BUSINESS FAIR!

On March 15th, middle school had its first Business Fair. Students were split into groups to create their own business company, with each group making its own products to sell all day. The products ranged from slime to phone charms to toys. Elementary and high school students were also welcome to purchase items from them throughout the day. The middle school students made a grand total of \$2,300!! All of the proceeds made are going toward a field trip they will take later this spring.

## TIME FOR SPANISH!

Students in 2nd grade are integrating their knowledge of numbers in Spanish, as well as their skills on telling time, to tell time in Spanish.

## KINDNESS MATTERS!

In March, we had our guidance counselor, Mrs. Hider, speak at our elementary chapel. She shared with students the importance of using our words for good and not hurting other people's hearts with our words.
